## Take your Best Shot!

Attention local photographers – now’s your chance to take your best shot! The Eighth Annual Tug Hill Calendar Photo Contest is starting and we are once again looking for great photos taken anywhere within the Tug Hill region. This is your chance to be a part of the only community produced Tug Hill Calendar. The winning photo will be featured as the cover of the Tug Hill Tomorrow Land Trust 2017 Calendar. Make sure to ‘like’ the Tug Hill Tomorrow Land Trust on Facebook and help vote your favorite photos into the calendar! The top selected photos will be featured as months, and smaller ones will also be featured throughout.

Last year was the ‘best of’ amazing wildlife, flowers, forests, farms, streams, and landscapes from previous year’s calendars. This is your chance to create another beautiful calendar by submitting your best photos – up to 10 per person. All images will be considered, however in order to be considered for a month or cover photo, your photo must be at least 300 dpi at 8.5” x 11”. All those selected for the cover or a month will receive a complementary calendar. The calendar will be available for purchase on-line and at various locations around Tug Hill in August.

To upload photos please visit: [www.tughilltomorrowlandtrust.org/photo-contest](http://www.tughilltomorrowlandtrust.org/photo-contest). From there, you can follow the steps to upload your photos to an online photo album where everyone can view and vote on their favorites. If you do not have access to internet, please mail your photos to Tug Hill Tomorrow Land Trust, PO Box 6063, Watertown, NY 13601. Please include your name, contact information, photo location and month taken when submitting photos. For those of you submitting photos online please use this labeling format: Last\_First\_Location\_Month.

The **deadline for submitting photos is May 31st, 2016**, and all photos submitted are subject to unrestricted use for any purpose by Tug Hill Tomorrow Land Trust.

Tug Hill Tomorrow Land Trust (THTLT) is a non-profit regional organization that works with private landowners to protect and foster responsible stewardship practices of working forest, farm, recreation and wild lands in northern New York’s 2,100 square-mile Tug Hill region. The Tug Hill region covers parts of Jefferson, Lewis, Oneida and Oswego Counties. Currently THTLT protects nearly 17,000 acres throughout the Tug Hill region and surrounding areas.

Tug Hill Tomorrow provides conservation planning, land registry and conservation easement programs for landowners, and also works to increase the awareness, appreciation and stewardship of the Tug Hill region through publications, educational fieldtrips, community programs and special events.
